MEMORANDUM

PERSONNEL MEMO 98 -13

TO: Cabinet Secretaries
Agency Heads
Personnel Executives

FROM: 
Carol M. Palmore, Secretary

SUBJECT: IPMA Southern Region Conference

The Kentucky Chapter of the International Personnel Management Association will be hosting the 51st annual Southern Region Conference April 25 - 28, 1999, at the Galt House East in Louisville. This is the major training event each year for public human resources managers. We have the unique opportunity to host this Conference which will be attended by Personnel Administrators from the seven states in the southern region.

Each year the Kentucky Chapter hosts a fall conference in order to provide our administrators with information about and innovative approaches to personnel management. This year we chose to combine it with the Southern Region Conference. We are acutely aware that two such events in one fiscal year might strain your training budgets.

The April conference will provide an even greater opportunity for your staff to be exposed to "cutting edge" information and to exchange ideas with their counterparts from all over the southeastern United States. I hope that you will support and encourage your personnel executives, administrators and managers to attend.

Registration materials will be mailed in late January. If you wish to receive additional information please call (502) 564-7911.
